Bali, Indonesia

VIVOASIA

THE MOST LUXURY ICONIC AND EXCLUSIVE PROPERTY IN BALI

With its pristine black sands and unrivaled views, this beach is known as one of the most picturesque spots in Bali and together with this Saba Property offers a modern luxury experience like no other.

info@vivoasiagroup.com

An award-winning villa nestled within the privacy of Bali's most spectacular ocean views. Experience exclusive tranquility during your intimate island getaway or celebrate uninhibited in our modern, open spaces featuring abundant amenities unlike anything you've experienced before.

This property was designed with the thoughtful intention to merge the breath-taking natural landscape of Southeast Bali with fine luxury, sophisticated minimalism, and modern design for a stay unlike anything you've experienced before. Achieving the perfect balance of nature and modern luxury was paramount to the property's architectural goals, and was accomplished through specific features, such as the state-of-the-art pool with awe-inspiring oceanic views and a lush, open landscape ideal for gatherings and tranquil destination getaways. The awe-inspiring ocean views and soothing natural spaces of the villa property create an unmistakable sense of warmth, harmony, and total relaxation that you and your guests can truly come home to.
